<b>Job Description</b>	

The Department of Chemistry and Biochemistry at Mount Allison University invites applications for a tenure-track appointment in Organic Chemistry. The appointment will be made at the rank of Assistant Professor and will commence on July 1, 2026, subject to budgetary approval.

Applicants must possess a Ph.D. and post-doctoral experience and must provide evidence of an ability to work collaboratively in an interdisciplinary and student-centred environment. We particularly seek candidates with broad expertise, and those eager to contribute strong undergraduate teaching in fundamental organic chemistry and bioorganic chemistry. The successful candidate is expected to

launch an active and externally funded research programme in experimental organic chemistry that integrates participation by undergraduate research students. Faculty have access to a range of internal and external funding opportunities. More information about the Department and available facilities may be found at <https://mta.ca/current-students/departments-chemistry-and-biochemistry>.

Complete applications will include: a *curriculum vitae*; a two-page teaching philosophy, HQP training philosophy and EDI statement; a five-page research proposal in NSERC format; and the names and contact information of three or more references. Applications should be submitted via <https://academicjobsonline.org/ajo?job-306-30842>

Mount Allison is committed to diversity and inclusiveness. We encourage applications from members of racialized communities, Indigenous persons, persons with disabilities, and persons of all sexual and gender identities. We seek candidates with qualifications and knowledge to contribute to the further diversification of our campus community and encourage applicants to self-identify.

Questions should be directed to:

Dr. Glen Briand

Chair of the Search Committee

Department of Chemistry and Biochemistry

gbriand@mta.ca

Review of applications will begin on November 10, 2025 and will continue until the position is filled.

At Mount Allison, we are committed to ensuring your interview experience is as comfortable and accessible as possible. If you require any accommodations or adjustments during the interview process, please do not hesitate to inform us. Your needs are important to us, and our dedicated team is here to support you.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Canadian and permanent residents should indicate their citizenship status in their application.
