interested in candidates from all areas of the statistical sciences that impact statistical genetics and genomics, and all other quantitative “omics” research.

* UTSC, Assistant Professor:

<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701666&tz=GMT-04%3A00> we seek exceptional candidates from all areas of the statistical sciences.

*UTSC, Associate Professor:

<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701665&tz=GMT-04%3A00> we are specifically targeting candidates with expertise in Statistics and Mathematical Finance.

The University of Toronto is an international leader in statistical science research and education. For all appointments, we seek exceptional candidates who transcend traditional statistical research topics, who complement our existing strengths, and who are working on non-traditional areas at the cutting edge of the statistical sciences.

Salary and start-up packages are competitive with our North American peers and will be commensurate with qualifications and experience.

Applicants should apply through AcademicJobsOnline, academicjobsonline.org/ajo/jobs/9894 and include a curriculum vitae, a list of publications, research and teaching statements, as well as a teaching dossier. Applicants should also arrange to have at least three letters of reference (on letterhead and signed) uploaded through AcademicJobsOnline directly by the writers.

Review of applications will begin on November 15, 2017 and applicants should endeavour to have all materials submitted by then, however applications will remain open until filled.

For more information about the Department of Statistical Sciences, please visit our websites at www.utstat.toronto.edu or www.utsoc.utoronto.ca/cms, or contact Katrina Mintis at katrina.mintis@utoronto.ca (UTSG position) or Katheleene Smith at ka.smith@utoronto.ca (UTSC positions).

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
