- Doctorate degree from a Western accredited institution at the time of appointment
- Excellent English written and oral communication skills
- Ability to work in a team.

Candidates will have evidence of successful teaching experience or must demonstrate significant potential and promise of teaching effectiveness and excellence at the undergraduate level. Candidates should be able to conduct research, publish papers in academic journals, and represent the university at conferences. Additionally, candidates are expected to meet standards for personal professional scholarship, and assist in student advising, curriculum development and other service to the department, school, and community.

The compensation package for this position is competitive and is based on the expatriate model. Besides tax-exempt basic salary, it includes housing, annual two-way airfare, health / life insurance, professional memberships, conference attendance expenses, assistance with children's tuition, and other components.

The American University in Dubai is a private, non-sectarian institution of higher learning founded in 1995. It serves UAE nationals and international students who seek world-class career-oriented education. AUD, as an international institution of higher education, encourages global understanding by providing an atmosphere of cultural diversity and opportunities for an international education.

Interested candidates are invited to submit their applications through [AUD's Recruitment Portal](#), where they can create their profiles and provide the necessary documents.
