Job Description	

The [Department of Mathematics](#) at the University at Buffalo, The State University of New York, anticipates the appointment of two faculty positions, effective August 2024, at the junior (tenure-track assistant professor) level. Salary will be competitive.

Strong candidates working in any area of applied mathematics are encouraged to apply. For one of the positions there will be particular interest in applicants working in the areas of mathematical biology, computational neuroscience, network science, and complex systems. Post-doctoral experience is expected, although not absolutely required. The normal teaching load for research-active faculty is three semester courses per academic year.

The Department's 36 mathematics faculty and 70 doctoral students pursue research in algebra, applied mathematics, geometry/topology and analysis.

Candidates should submit a cover letter and curriculum vitae at <https://www.ubjobs.buffalo.edu/postings/44208>. Candidates should also submit a cover letter, curriculum vitae, a summary of their research program, a description of their teaching experience and at least four reference letters, one of which supports the applicant's effectiveness as a teacher to <https://www.mathjobs.org/jobs/596>.

The deadline for applications is October 15, 2023. Late applications will be considered until the position is filled.

Buffalo comprises New York State's second-largest metropolitan area, known for its friendly residents, world-class cultural institutions, and international flavor. The Department of Mathematics is on UB's North Campus in suburban Amherst, an area that combines outstanding public schools and services with a low cost of living. Downtown Buffalo, with its eclectic neighborhoods, the Lake Erie waterfront, and vast cultural resources, is 15 minutes away, and Niagara Falls is just 20 minutes away.

UB has a strong leadership commitment to inclusive excellence and a clear diversity and inclusion strategy. Visit [here](#) to learn more about initiatives and resources at the University at Buffalo to further our goal of diversifying the faculty.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
